Art Holidays 2018 Tutored groups & Workshops

Stunning French Farmhouse situated in the beautiful Lot region of France offering full board breaks for artists of all levels.

Now in our fourteenth year at Le Perchoir des Paons (the peacock's roost) the objective is to offer a relaxing atmosphere with the emphasis on enjoyment. Groups are always small, with a maximum of 8 artists at one time; we also cater for non-painting partners at a reduced rate.

We are surrounded by stunning views and many of our guests simply want to take the opportunity to spend quality time painting and drawing in the extensive grounds around the house. Our fully equipped studio is always available for guests and on top of this we visit some of the charming villages and local sites nearby. Wind down after a day's painting in our swimming pool or take a pleasant stroll around the attractive surrounding scenery.

We have a number of holidays planned for 2018 which are detailed below - Most of our courses are designed so that guests arrive during Sunday and get to know each other over an evening meal before the group work starts on Monday morning. They will then run through to Friday evening, with guests departing during Saturday (6 nights accommodation/5 days tuition).

The tutored groups are for Mixed abilities and formally structured, with someone on hand to provide guidance and advice. We can also offer workshops which are less formally structured, as they are primarily designed to enable you to work alongside - and interact with - likeminded people.

Please note that we can also offer tailor-made holidays for those who have limited time to spare, if you have some specific date requirements, or if you're an Art Group with your own tutor - please contact us, we will always be happy to try and accommodate your needs.

Tutored group brief

Mixed abilities

This course will suit both beginners and those with more experience who wish to explore and expand their drawing and painting techniques using a mixture of media including charcoal, graphite, oil and chalk pastels, watercolours, acrylics etc.

We aim to encourage you to develop your drawing abilities and enrich your visual skills helping to build confidence and knowledge, whilst experimenting with new techniques and materials.

Our intention is to provide a relaxed and comfortable environment, so that during your stay you can produce a body of work to take home and develop further.

What's included

All our holidays include full board and lodging with Continental Breakfast, a light lunch, refreshments and a delicious home cooked evening meal with wine. On one evening we will visit a local restaurant for a meal, for which there will be a small additional cost (around €25-30 per head). *

Use of our beautiful and well equipped studio at anytime during your stay.

All basic materials and equipment will be provided within the cost of the holiday, however if you have particular favourite brushes or media please bring them along. If you are in doubt check with us first.

Additional materials (such as specialist pastel and water colour papers, acrylic boards, canvas boards etc) will be available to purchase during your stay with us if needed.

You will need to organise your own flights/transport to us but we can arrange pickups from airports/stations by prior arrangement for an additional charge. Our closest airports are Bergerac and Brive/Souillac about an hour away, Toulouse about 1½ hours and Rodez just over 2 hours. Our nearest stations are Gourdon and Cahors, both within easy distance. If you choose to hire a car we will provide directions etc.

Any additional nights can be arranged at our normal Chambre d'Hotes rates.

** Please let us know in advance if you have any special dietary requirements.*
